

# QUEENSWAY COMMUNITY SUPPORT

Due to local school closures, as a community, we are still able to offer:

- Simple recipes for your family
- Advice and guidance during this unprecedented time
- Support with baby essentials
- Housing and personal care essentials
- Food bank referrals and food collections.

This is a universal service for all families.

However, the service will be prioritised for families who are eligible for pupil premium funding and those that access free school meals.
