

Sports Premium Expenditure Report

Schools receive PE and sports premium money based on the number of children from Years 1 - 6. Schools receive £16,000 with 17 or more eligible pupils and then a payment of £10 for each additional pupil.

The DfE have confirmed Primary P.E and Sports Premium will continue at the doubled rate of £320 million for the 2020-2021 academic year.

Funding for Knowles in 2020/2021 is approximately £19,500, depending on pupil numbers.

Coronavirus update:

- existing guidelines regarding the use of the PE and sport premium continue to apply.
- Sports Premium money should continue to be used to support at least one of the key indicators
- Any money not spent for the academic year of 2019-2020 will be carried across to 2020-2021.
- Reporting for swimming and water safety to be reported where it can be or where no data is held to be stated online.

Schools should use Sports Premium money to:

- Develop or add to the PE, physical activity and sport activities that the school already offers.
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining in the future years.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. There are 5 key indicators that schools are expected to see improvement across and they are as follows:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

The key ways that Sports Premium money is spent is summarised below:

Support 2020 - 2021

Engagement of children in regular physical activity	
<p>Lunch times allow for children to participate in a total of 30 minutes daily physical vigorous activity through structured playtimes.</p> <p>Department of Health recommend '60 minutes of exercise a day'. Teaching and Learning Support Practitioners deliver planned break times that focus on the teaching of children key skills in all year groups. Children are engaged in rigorous outdoor play for at least 30 minutes a day.</p> <p>Child centered learning can often cause chaos, as they do not have the social skills to allow them to play independently. Children need rules in place to allow them to learn how to play independently. Children should be engaged in a variety of different activities to stimulate the brain and to support them with social skills to build relationships.</p> <p>Additional lunchtime support through premier sports twice a week to engage children who struggle at lunchtimes - smaller group focusing on teaching children how to turn take and take part in physical skills.</p> <p>All children have access to fresh water everyday and are encouraged to drink recommended daily amount of fluid. 5 to 8 year olds - 1 litre 9 to 12 year olds - 1.5 litres Purchase of water bottles for children, who are struggling bringing in on daily inline with coronavirus risk assessment.</p>	<p>£1000 replenishment of playtimes and lunchtime resources.</p> <p>£ School Coach - KS1 lunchtime provision</p> <p>2 per bottle</p>
The profile of PE and sport is raised across the school	
<p>Profile of swimming is raised in Year 5 - Year 6.</p> <p>Children from years 5 - 6 are offered swimming across the year to support the children to be able to swim at least 25 metres by the end of Year 6.</p> <p>The school pay for a swim teacher (Level 3) and an additional Swim TA (Level 1) to teach the children swimming. Swimming is allocated twice a week. Year 5 and 6 are allocated 12 weeks of swimming each. Two teachers across the school have swimming qualifications - Level 1 or 2 and can teach / support the children swimming. This allows the children to be broken down into smaller groups for teaching for maximum support for the children.</p>	<p>£12.50 per lane for pool hire - 2 days a week.</p> <p>£51 per hour for swim teacher and TA support.</p>

<p>Rising Stars P.E Champions Programme This provides teachers with the subject knowledge and progression of skills needed to teach units. It is a whole school approach for teaching sport, fitness and health. It is used to up-skill non-specialist P.E teachers to teach outstanding lessons to children. P.E for the year is planned out on long term overviews for topic across the year. The health units are also woven into the curriculum through the schools PSHE pathway.</p> <p>Pupils across all Key Stages are able to access a range of after school provision.</p> <p>A range of afterschool clubs are accessible for all children and rotated termly. SEND and pupil premium children are targeted to ensure opportunities to engage in after school provision. Opportunities for both intra and inter sport competitions. Sports themed days promoted across the school.</p>	<p>£600</p> <p>Sports Coach salary</p>
<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport</p>	
<p>Support from school sports coach for CPD for teachers to develop and upskill their P.E Expertise.</p> <p>Hiring of a school sports coach means that support is given from a specialist trained P.E coach (Level 5 qualification). Teachers' own subject knowledge is upskilled and key elements can be focused on for development. The specialist coach works 1:1 with the teacher to improve their skills by modelling sessions, teachers shadowing coaches and team teaching. This will help and support teachers who feel as though they need additional development of knowledge and expertise. NQTS, ITT's and recently qualified teachers are given priority support. Staff surveys completed to work with staff who want specific support.</p> <p>Rising Stars P.E Champions Programme This provides teachers with the subject knowledge and progression of skills needed to teach units.
